

Peninsula Sports Medicine Group Christmas Party 2014

The turn-out was fantastic at the Peninsula Sports Medicine end of year bash on Saturday night at Crown Metropol's Skybar.

The night, proved to us once again, that we really have a great crew and culture and it gave the PSM Group partners a great sense of pride to see the team having a night full of fun and laughter.

We were joined by our partners Karak & Wilson Podiatrists and PACE Health Management, we also had the presence of a very well-behaved baby, a pregnancy and plenty of dancing shoes! Congratulations to Andrew Lee who tied the knot on Saturday night and obviously couldn't make it to the party!

It was also an opportunity to farewell one of our team members, Shae Iddles, who leaves us to pursue her career in nutrition after completing her studies. From the team at Peninsula Sports Medicine, we wish you well with your future endeavours.

And lastly, but importantly a big Thank You goes out to Mel Telyszak who once again did a fantastic job coordinating the party planning!

Thank you to everyone who came along and most of all thank you for the outstanding efforts you have put in this year and we look forward to building upon that in 2015
